HOBBS FUND

The Hobbs Fund is a special fund dedicated to veterinary care and medical emergencies. Equine medical care can get very expensive and we do not want money to be the deciding factor of a horse's fate. If the horse's prognosis is good through medical treatment, we'd like to offer them the chance to be well again. Although this fund is dedicated to Hobbs, it is for any of our rescued equines in need of medical treatment.

Thank you for contributing to this fund!
